

# Parent and Student Guide to Google Classroom

## Logging on:

1) Click the link to Google Classroom on the homepage for Newhouse Academy

2) Login using the following details:  
They will need to enter their username.  
This is the same username they use to log on to the school computers within school followed by @siddalmoor.org

Once you have logged into your google account – click the following icons to access Google Classroom:

## Finding work and handing it in

All of your lessons can be found here:

The screenshots illustrate the process: starting from the Newhouse Academy homepage, clicking the Google Classroom link, logging into a Google account, navigating to the Classroom app, and finally viewing and submitting an assignment.

Clicking this will open your work on a separate page. You can work on this page and type your answers into the spaces provided.

Once you have completed as much as you can. Return to your Google Classroom page and click hand in.  
Your teacher will be able to see what you have done and offer feedback.
