## **COVID19**

We are reopening the Short Breaks sessions following lockdown. We want to do this in a safe way that keeps children safe and reassures you as parent / carers.

The Short Break sessions might look and feel different to how they have before, this is to make things as safe as possible.

Some of the changes to make things safer are: smaller groups and less sessions, staggered drop off/pick up times, different venues and activities, sessions taking place online, etc.

There will be different changes depending on the Short Break session. Please check with the Short Break provider to find out what the arrangements are and when sessions will be running.

**Families can attend one activity session per week during term-time and two activity sessions per week during the school holidays.**

This Short Breaks Matrix is not exhaustive. Services will be reviewed periodically and may be subject to change. Activities may be amended as required to meet the needs of children and families.

**For further information, please contact the Children with Disabilities Team:**
