

29th November 2021

Dear families,

Year 11 Families Evening – 8th December 2021

We will be holding our Year 11 Families Evening, via Edulink, on Wednesday 8th December 2021, from 4pm – 7pm. We had planned for the event to be face-to-face, however, the need to keep the health and safety of our staff, students and families at the heart of all that we do means that it will now be held online.

If you do not have an Edulink account, you will need to register for one using the attached directions. You will also find directions for making appointments with your child's class teachers in the instructions and see how to use the facility on the evening itself. A You Tube clip of instructions is also available at <https://www.youtube.com/watch?v=gdrDGOfcEU>.

The appointment booking facility will be open from 1st to 7th December, please contact us if you have any issues with it. Appointments will start promptly between 4pm-7pm and if you are late to an appointment, it will still end at the allocated time.

The Year 11 Families Evening will give you and your child's class teachers the opportunity to discuss their progress along with predicted grades and what you can do to support your child this year.

We want to ensure that all students achieve the success they deserve this summer and go on to their chosen pathway when they leave us. We have a Careers Advisor – Karen Hodgson – based at the academy every week and students who wish to see her can book a meeting by speaking to me or to Miss Tobin, the Head of Year 11.

Please do not hesitate to contact me with any questions you may have.

Best wishes
