Dear families

**Re: 2<sup>nd</sup> vaccinations for students against Covid-19**

If your child has had their first vaccination against Covid-19, (either at school or elsewhere), a consent form is coming home with them today with regards to a 2<sup>nd</sup> vaccination.

2<sup>nd</sup> vaccinations will be offered in school on **Wednesday 12<sup>th</sup> January 2022.**

The vaccine can only be given to students for whom we receive parental consent so it is **VITAL** that you return the consent form to your child's Form Tutor by Monday morning, 10<sup>th</sup> January 2022. If we do not receive a consent form for your child by this time, they will not be able to receive the vaccination in school.

The whole vaccination process is being run by NHS staff, not school staff, although our own staff will of course be on hand to support students.

**First vaccinations:**

If your child has not yet had their first vaccination, and you would like them to receive it, NHS Nurses are running a Saturday service at Callahan House on Cross Street in Heywood. You can make an appointment by telephoning 119, or via the NHS website. There will be no 'first vaccinations' available in school on 12<sup>th</sup> January.

**Questions:**

If you have any questions at all about this process, please email me:
