

March 2022

Dear families,

### Year 11 Families Evening

We would like to invite all Year 11 students, along with their parents and carers into the academy on Thursday 24<sup>th</sup> March 2022. Families Evening will run from 4-7pm and teachers will be available to discuss your child's progress and to offer advice with regards to revision over the coming weeks.

We want to ensure that all students achieve their potential this Summer. We will share information about your child's progress, their targets, how they have performed in the March assessments, and how we can further support them before their final examinations.

There will be food available for students and their parents and carers. Please follow this link to the Google form <https://forms.gle/t8oSKRz9aZ2DfXyJ9> to confirm that you will be attending and if you will be eating at the academy. The food options are meat and potato pie with chips, or cheese and onion pie with chips.

Local colleges and sixth forms will also be here to offer advice around post-16 courses and the qualifications required. There will be revision packs for every child, similar to the ones given out in the Autumn term, with booklets containing revision tips for families to use with their child, and stationary to complete revision with.

We will support your child throughout the rest of their time at the academy; this will be a great opportunity for families and staff to meet and discuss any concerns.

Your child will be given an appointment card in form time on Monday 14<sup>th</sup> March 2022 to make appointments with the staff who teach your child.

Please make sure that you complete the Google form **by Wednesday 16<sup>th</sup> March 2022** so that we can ensure we have enough food for everyone. We look forward to welcoming you back into the academy.

Best wishes,
