# Newhouse Academy

March 2022

Dear families,

**Welcome to Newhouse Academy!**

We are delighted to welcome you and your child to year 7 at Newhouse Academy for September 2022.

As part of the Hollingworth Learning Trust, we will be offering a comprehensive and engaging transition programme for new students, looking after all of their academic and pastoral needs. Rest assured that we will use the coming months to find out as much as we can about your child so that we can guarantee a smooth transition into secondary education.

We cannot wait to share with you the plans for our brand new building, which will house state of the art classrooms, workshops, studios and laboratories for Science and Technology, Expressive Arts and Music. Not only that, but there will also be fantastic new sporting facilities, a spacious dining room and an academy hall which will be used for performances, celebration assemblies and academy events. This is such an exciting time to join our community on our journey to outstanding education in the heart of Heywood – and we are thrilled that you will be part of it.

Whilst all of this work is undertaken, we will continue in our existing buildings with wonderful facilities and committed staff. Mrs Mears is a dedicated and experienced Head of Year 7, working alongside her we have a caring and supportive pastoral and SEND team and a strong team of form tutors with emphasis placed on wellbeing and personal support. This is accompanied by an all-inclusive curriculum offer, staffed by subject specialist teachers with a passion for learning and teaching. We expect the highest of standards from our students and we want you to have the highest expectations of us.

We will dedicate an area of our website to Year 6 transition and will keep it updated with all the relevant information and dates you need. We will produce a transition timeline so you can see what will happen each month, and we will communicate regularly with you.

If you have any questions, you can contact key members of staff on the emails below. We will be in touch soon with further information and in the meantime, please can we ask that you follow this link <https://forms.gle/i22WMaUYCcvdcBg17> and complete the data collection form as soon as possible.
