

March 2022

Dear Year 7 families and students,

### Year 7 Transition Feedback

We are just at the start of the transition process from primary school into Newhouse Academy for the year 6 students, who will be our new Year 7 group in September. We would like to ask for your feedback on the transition processes you had last year, from the time you found out you had a place at Newhouse Academy, up to when you joined us. We want to give you the opportunity to tell us what we did well and where we can improve.

We would all have loved to have had face to face transition days last year, but, as you know, they were not able to go ahead. Please think about the information you received in the post – both to adults and students; the information available on line; the visits we made to primary schools and also Summer Academy, if you attended. We are also interested to hear your thoughts on our communication via email, post, videos and telephone.

We would appreciate it if you could complete this short google form together, so that we can ensure we keep improving our transition process each year – please follow the link - <https://forms.gle/rWEgzQTFnyLX474f7> . Please complete the form by Friday 11<sup>th</sup> March 2022.

Many thanks for your help with this. If you have any questions, please contact me at the academy.

Best wishes
