Dear Families

## Update in relation to Covid-19

Following on from the government's 'Living with COVID' plan, I am writing to provide you with some updates from school.

### Guidance

We will continue to follow the advice for schools from Rochdale Public Health and Rochdale Council.

Updated guidance from the government can be found at: <https://www.gov.uk/guidance/people-with-symptoms-of-a-respiratory-infection-including-covid-19>

There is separate guidance for people who have been informed by the NHS that they are at highest risk of becoming seriously unwell and who might be eligible for new COVID-19 treatments. If this applies to your child, please read the following guidance: <https://www.gov.uk/government/publications/covid-19-guidance-for-people-whose-immune-system-means-they-are-at-higher-risk>

### Hygiene measures in school

There has been a decline in cases locally, however, there is still a risk of infection and we therefore continue to maintain and follow good hygiene practices in school.

### Living with COVID

We continue to re-establish pre pandemic routines within school and, as I have said previously, my prime concern remains the health and safety of our students, their families, our staff and their families, whilst continuing to provide learning and development opportunities for all students.

Thank you for your continued support.

Yours faithfully

A handwritten signature in blue ink, appearing to be 'AB' inside a circular scribble.

Mr A Burnham  
Headteacher
