16th October 2026

Dear Families,

Following our latest Ofsted inspection on 22nd and 23rd September 2026, we are thrilled to announce that Newhouse Academy has achieved **'all green'** under Ofsted's new inspection framework! This is a higher standard than was previously required to meet the 'Good' threshold.

Following our best ever GCSE results this summer, this is a milestone to be celebrated for our entire school community.

While the outcome itself is cause for celebration, what makes us proudest is what the inspectors observed about our young people:

- **A place where they belong:** Inspectors highlighted our pupils' strong sense of pride and belonging at Newhouse Academy.
- **A culture of respect:** Pupils feel safe, heard, and supported in a calm, welcoming, and inclusive environment every day.
- **A community that cares:** Inspectors praised the positive relationships between students and staff, built on mutual trust and respect.

Achievements like this do not happen by chance. They are the result of hard work and commitment by our dedicated staff, the ambition of our incredible students, and the engagement of you, our families.

Thank you for your ongoing partnership, trust, and support in making Newhouse Academy a place where every child can thrive.

Warmest regards
