5th October 2026

Dear Year 11 Families,

Supporting Success: Invitation to the Year 11 Information Evening

This final year of Key Stage 4 is pivotal, and for students to achieve their full potential requires a strong partnership between students, the school, and, crucially, you at home.

To ensure this partnership is as effective as possible, we warmly invite you and your child to our Year 11 Information Evening, focused on building effective study habits and revision techniques, **on Thursday 15th October 2026, from 3:45pm to 5:45pm with arrival from 3:30pm.**

The primary purpose of this evening is to provide you with practical, subject-specific strategies that you can use to support your child's independent work and revision at home. We understand that you may wish to focus on specific subjects, so we have designed the event to be flexible.

Expert staff will run 15-minute sessions and each session will run seven times across the evening, allowing you to take advantage of the wealth of advice available.

Session Times: 3:45pm, 4:05pm, 4:25pm, 4:45pm, 5:05pm and 5:25pm
Subjects: **Core Subjects**: Maths, English, Science.
Options: History, Geography, PE, Statistics, Design Technology

Additional Support and Advice

Beyond the subject-specific strategies, we will also have dedicated staff available throughout the evening to answer your questions on wider support areas, including:

- Wellbeing Support: Advice on managing exam-related stress and maintaining a healthy balance.
- Careers and Post-16 Advice: Guidance on applications, college, sixth form, and apprenticeship options.
- Head of Year 11: The Head of Year will be available for any pastoral or general queries you may have regarding your child's progress.

We strongly encourage you and your child to attend. The insights gained from these sessions are invaluable in preparing students for the upcoming challenge of their GCSE examinations.
